Founded in 1963, HSWRI is a 501(c)3 scientific research organization with a $5 million annual operating budget. As a member of the management team, the Development Director fosters a culture of philanthropy within the organization by leading staff and volunteers to institutionalize philanthropy and fund development within the organization. The Development Director is responsible for managing and implementing the HSWRI fundraising program. The primary focus is increasing unrestricted major gifts.

Major Job Functions:

- Strategic planning, specifically fund development and positioning for HSWRI.
- Based on the strategic plan, creates, implements, manages, and monitors a comprehensive fund development plan.
- Oversees HSWRI’s transformational campaign, with a $10M comprehensive campaign initial goal over 3 years.
- Provides general oversight of all of the organization’s fund development activities, supervises development team (CA and FL staff) and manages the day-to-day operations of the development functions.
- Demonstrates best practices in philanthropy by example and periodic staff training.
- Supports state and federal appropriations efforts.
- Coordinates the Florida specialty License Plate marketing.
- Meets with community partners, grantmakers, foundation personnel, nonprofit leaders, and corporate giving peers to introduce HSWRI to new funders.
- Organizes public information events, special events, in-house VIP tours, external web site, and social media, as appropriate.
- Works with the President, Board Chair, and development and nominating committee chairs to ensure fulfillment of fund development roles.
- Ensures that quality fund development systems are developed and maintained.
- Works with the management team to establish performance measures, to evaluate the effectiveness of the organization’s fund development program.
- Ensures compliance with all relevant regulations and laws, maintains accountability standards to donors; and ensures compliance with code of ethical principles and standards of professional conduct for fundraising executives.

Professional Experience, Education, and Qualifications Required:

Professional Experience:

- At least five years demonstrated experience in managing and implementing comprehensive fund development programs, producing charitable contributions from successful major donor campaigns.
• Demonstrated knowledge and experience in the nature and dimensions of philanthropy, motivations for giving and volunteering, research and cultivation practices, and standard fundraising techniques including:
  o Face-to-face solicitation,
  o Proposal writing,
  o Special events, and
  o Development office functions such as gift processing, prospect and donor histories, and fundraising reporting.
• Demonstrated experience in working effectively with, directing, and motivating staff, volunteers and the Board of Trustees in successful fund development activities.
• Demonstrated experience and confidence in asking people to contribute time and money.
• Ability to use computer systems including Microsoft Word and Excel is necessary.
• Comprehensive management skills and experience are required including but not limited to short and long-term planning, evaluation, written communication and strong public speaking skills.
